Protection Ltd**

With access to exclusive rates not available directly from High Street Lenders, speaking to one of our Whole of Market advisers should be your next step to your new home.

A fee is normally charged for our services to cover processing costs & our advice, this would be agreed with your adviser when he has assessed the case. The fee could be up to 1.5% of the mortgage amount & is typically £225.

Your home may be repossessed if you do not keep up repayments on your mortgage.
